E. A. BRUNSON
IS STRICKEN AT
LONE MOUNTAIN

LANCE EMINENT MEDICAL AUTHORITY STRICKEN WITH BLOOD POISONING.

Dr. A. E. Brunson, at one time a recognized authority in the medical world, died at Lone Mountain yesterday afternoon, after an illness of years. The body was brought to Tonopah last evening to the undertaking parlors of Wagoner and Cavanaugh and will be shipped to Los Angeles for interment.

Since January Brunson had lived at Lone Mountain, taking up his residence with R. D. Walker, who is operating a property in that district. He was a cousin of the Walkers and had moved to Lone Mountain with the hope that the climatic change would prove beneficial to his health. His health had improved until a few days ago when blood poisoning developed in one elbow. The poison spread rapidly through his system was the immediate cause of his death.

\$30,000 LIBEL SUIT
AGAINST BONANZA

(Continued from page 1)

Judge Langan can only be surmised, and to the mind of those interested in the affair it is hinted only a source of revenue could account for the manner in which Langan tolerated the slip-show methods of Wildes.

That said words so published as aforesaid were false and defamatory.

That by said words, so published, the defendants intended to, and were understood by those who read them to, charge plaintiff with having committed perjury.

That the plaintiff has lived for more than thirty years last past in the state of Nevada, has held and creditably filled public offices and positions of trust in said state, and before the publication of said words as aforesaid, was well known throughout the state of Nevada and other states of the United States, and, where so known was highly regarded, honored and trusted as a man of integrity and honesty.

That by reason of the publication as aforesaid of said false and defamatory words, the plaintiff has been injured and damaged in his reputation in the sum of thirty thousand (\$30,000) dollars.

Wherefore, plaintiff prays judgment against said defendants for the said sum of thirty thousand (\$30,000) dollars damages, and for the costs of this action.

If it's of exceptional value at the price, it's sure to be advertised in the Bonanza, else the merchant would be hopelessly unprogressive.
